

生命理学 【大学院学生】 向け 集中講義
Special Lectures of Biological Science
*** English Lecture ***

| | | | | |
|---------------------------|--|--|----------|--|
| 講師 lecturer | 氏名 Name | Gerle, Christoph 先生 Associate Professor | | |
| | 所属等 | 大阪大学 蛋白質研究所 特任准教授 Institute for Protein Research, Osaka Univ. | | |
| 科目名 Subject | Special Lectures of Biological Science 4 | 生命理学特別講義4 | 1 credit | |
| 講義題目 Title | Cryo-EM of Membrane Proteins | | | |
| 実施日時 The date and time | 11. 5 Mon. | 13:30-17:00 | | |
| | 11. 6 Tue. | 10:30-17:00 | | |
| 開講場所 Venue | School of Science Building A, 2nd Floor, Room No.222 | | | |
| ※Seminar | | | | |
| Title | A big controversy: mitochondrial FoF1 ATP synthase and the mitochondrial permeability transition. | | | |
| The date and time | 11. 6 Tue | 15:30-17:00 | | |
| Venue | School of Science Building A, 2nd Floor, Room No.222 | | | |
| organizer | Biological Science | Terashima | Ex. 2992 | |
