

Tenured Full Professor Position

Division of Biological Science, Graduate School of Science Nagoya University

Discipline: Scientists eager to tackle any problem in any field of biological science are encouraged to apply. Our Division is concerned to advance the employment of female scientists.

Minimum Qualifications: Candidates must have 1) a PhD degree, 2) an excellent research record in the field of biological science, 3) experience and strong interest in teaching undergraduate- and graduate-level courses, and 4) willingness to participate in administration of our Division.

Job beginning date: April 1, 2018 (The professor will be able to employ a collaborator as tenure-track member of the university depending on the vacant positions and the urgency of the laboratory groups in the division)

Application Requirements:

- 1) *Curriculum vitae* with a profile photo
- 2) List of publications (separately list refereed journal articles and others)
- 3) Brief statement of research interests and accomplishments (no more than 3 pages)
- 4) One page statement of research plan(s)
- 5) One page statement of teaching philosophy
- 6) List of scholarly activities in the last five years:
 - Research grants, prizes, awards, etc.
 - Invited and/or organized research conferences, workshops, symposium, etc.
 - Memberships of academic society, etc.
- 7) Names, affiliations, e-mail addresses, and phone & fax numbers of two references
- 8) Reprints (PDF files) of up to five representative articles

Application Deadline: August 16th, 2017

Please submit your complete application package electronically as a single PDF file (no larger than 20 Mb) to seimei-koubo@bio.nagoya-u.ac.jp. Please include “**NU professor 2017**” in the subject line of the email.

Questions should be addressed to Professor Michio Homma, Faculty Search Committee Chair, via e-mail (g44416a@cc.nagoya-u.ac.jp).
